- Your filing status is single or married filing jointly.
- You (and your spouse if married filing jointly) were under age 65 and not blind at the end of 2003. If you were born on January 1, 1939, you are considered to be age 65 at the end of 2003.

If you are planning to use Form 1040EZ for a child who received Alaska Permanent Fund dividends, see page 14.
- You did not receive any advance earned income credit payments.

If you are not sure about your filing status, see page 11. If you have questions about dependents, use TeleTax topic 354 (see page 6). If you **cannot use this form**, use TeleTax topic 352 (see page 6).

Filling in your return

For tips on how to avoid common mistakes, see page 21.

If you received a scholarship or fellowship grant or tax-exempt interest income, such as on municipal bonds, see the booklet before filling in the form. Also, see the booklet if you received a Form 1099-INT showing Federal income tax withheld or if Federal income tax was withheld from your unemployment compensation or Alaska Permanent Fund dividends.

Remember, you must report all wages, salaries, and tips even if you do not get a Form W-2 from your employer. You must also report all your taxable interest, including interest from banks, savings and loans, credit unions, etc., even if you do not get a Form 1099-INT.
